NOV 8, 2010 // ITEM OF THE DAY

You know the saying travel in style, right? Well, we don't necessarily need a private chauffeur (although the thought sounds nice), we can do just that by carrying a chic laptop/briefcase by Seattle-based **Plaid Doctrine**. The Made-in-America line of vintage-inspired bags are also made of high performance recycled fabrics, perfect for us rough-riding subway commuter folks. Carrying our paperwork, laptop and life around with us has never looked this good.
